

The marsh path of Teirumnieki

In the marsh of Teirumnieki, which is located between Lubānu and Orenīšu ponds, is made about 800 m long footbridge path, which acquaints the tourists with the landscape of high marsh, Teirumnieku lake and flora of marsh. The marsh footbridge path of Teirumnieki isn't arched - it means, that you can go back at the starting point ,going along the footbridge or also along the wood path, which makes a circle along the marsh. The path leads along the marshy lake bank of Teirumnieki, where is located the place of recreation.
