

## Duets

### Guest-house

We are placed in a very nice area, we are close to the city centre, and in the same time nobody will bother you to relax. There is a rather big garden, which you can see sitting on the terrace. If you want to take pleasure in nights in the garden, then there is a build in grill outside. You can use it having a rest with your friends or in the family circle.

In the apartments you will find all what you need - TV, bed-linen, towels, kitchen equipment, plates and dishes, mini-fridge in each room. There is air conditioning and wireless internet access in all the rooms. You can place your cars in the yard of the guest house and it will be free of charge.
