

Monument to Pavel Dubrovin

Monument for park creator and ex-mayor of Daugavpils Pavel Dubrovin (1839-1890) is erected in Dubrovin Park. Approximately 2 meters high Bronze figure (2007) is set up in a special created area not far from a fountain in the park landscape formed by him. The monument was made by sculptor from Moscow Alexandr Taratinov, which is also the author of bas-relief of the queen of Netherlands – Beatrikse on the coin of one golden.

Address: Dubrovin park, Daugavpils, LV-5400
