

The Odu Trail / “Odu taka” in Horse Ranch “Klajumi”

The Odu Trail introduces visitors to forest and marsh landscapes, where you can observe various plants such as thistles and sedges, and also encounter forest bees. There is an opportunity to visit the marsh’s “concert hall,” an area of spruce trees, see wild boar tracks, and observe unusually grown trees (birch, spruce, and pine).

Passports are required! Prior registration is necessary!
