

PLAZA Restaurant

Restaurant

The main advantage of the restaurant PLAZA is the unique panorama view of Daugavpils city from the perspective of the bird's flight, because it is placed on the 10th floor. The quiet, leisurely atmosphere, the original interior, attentive service and dainty dishes will favor every client with unforgettable moments. The restaurant can receive up to 100 people at a time; therefore it is a perfect choice for organization of corporate parties, balls, wedding festivities and other social activities.

Possibilities:

Restaurant PLAZA, which is located in „Park Hotel Latgola” gives a great opportunity for gourmets to pamper themselves, because skillful chefs of the restaurant have prepared a new menu. You will find tested values and interesting experiments from the world of taste in it! In the new menu we also offer latvian and latgalian national cuisine, which confirms the magic of homemade food.
