

Escape Room

Active rest

The first escape room in Latgale.

Escape room is a quest game in reality, intellectual entertainment for a 2-5 people team. In the beginning you and your family, friends or colleagues will be locked in a room for 60 minutes, from which you will have to escape by solving logical tests, applying co-ordination skills, agility and ability to work in team in limited time and high-adrenaline conditions. If you do not manage to escape in time, you will be rescued, but in order to solve all the tasks, you will have to visit the room again. If you are planning to have a bachelor party or a bridal shower, just another boring evening or you do not know what to get your friend for a gift on his birthday - this game was made for you! Come on in and experience these thrill and just have fun!
