

"Beibuki"

Holidays house

Sport club "Beibuks" offers rest and accommodation services up to 40 persons on the Daugava river bank, on the Augsdaugava Protected Landscape Area's territory in 14 km from Daugavpils on Krāslava direction. There are boats, silence and peace on the Daugava river bank.

There are two separate cottages and three different baths (smoke, sauna, with bath brooms). The heated bath tub is available, too. "Beibuks" offers bathhouse attendant's services and an opportunity to enjoy rituals of Latvian bath.

In a two-storey wooden cottage accommodation and bath are offered for a company up to 15 persons. Shower, fridge, washing machine, dishware are available. The cottage can be rented for a longer time.

In a second cottage on the first floor are two separate rooms, in each room are sleeping places for 6 persons. On the second floor there are sleeping places for 14 persons in a one room. Next to the cottage tent sites are available. Wi-Fi, trampoline, fire places, grill and kettles.

Additional information:

Boat and wooden raft rental.
