

## Piedruja Orthodox Church

Among the few Krāslavas region Orthodox churches, only one - Piedrujas Orthodox Church - can be proud of its six domes. This is one of the most beautiful and the most architecturally interesting churches in our region. It had been built in 1885, when the old little wooden church could no longer serve all the Orthodox believer. Book your visit in advance!

**Address:** Piedrujas pagasts, Piedruja, Krāslavas nov.
