

Sudmali Mound

The mound was registered the first in 1882 by A.Bilensteins. In 1926 E. Brastins published the description of the mound. There was an expedition lead by J. Graudonis in 1968.

There is a well-equipped recreation place.

Address: Svente parish, GPS: 55.901107 , 26.343651, Daugavpils nov.
