

## Sports amusement Park "Between Heaven and Earth"

The Sports Amusement Park offers active recreation, thereby promoting a healthy lifestyle and a full range of leisure activities. Leisure in the sports park is for both adults and children. The Sports Amusement Park offers a military simulation game "Airsoft", a fun team game "Futgolf". The air obstacle course is popular among visitors. It is 2.5 m above the ground.

If you want to relax, you can take a 90-meter-long walk on the Angel's footpath. The trail is covered with 25 different sections and 13 natural materials. Especially recommended for people with orthopedic problems.

Hosts offer team building games for corporate or birthday parties - various athletic team games in the fresh air. There is the opportunity to participate in master classes in soap making, candle or wax making and aqua-gravy. There are picnic areas, tents, sauna, barbecue.

For accommodation there are two houses: LARGE HOLIDAY HOUSE, which is suitable for 12 people, and a SMALL HOLIDAY HOUSE - for a small family or company of 2-3 people.

The large holiday house has 2 floors, with the large living room on the 1st floor and smaller room with a double bed, as well as a fully equipped kitchen (refrigerator, stove, oven, microwave, electric kettle, coffee machine, dishes, dish towels). On the 2nd floor there are beds for 7-8 people. All beds are equipped with bed linen and towels. The house has a fireplace, terrace, arbour, tables, swings and a barbecue grill.

The small holiday house has a double bed, a sofa, a chair and a table. In one corner is a small kitchen equipped with refrigerator, coffee and tea maker, dish towels.

The terrace has a table with chairs and a large umbrella in case of bad weather. The main advantage of the house is a beautiful view from the terrace to the pond and the whole area.

The sports amusement park offers a small sauna, which is suitable for various events and recreation. It is possible to order the services of a bather, who will perform various bath rituals to improve health, well-being and beauty.
