

## Leather jewelry by Ludmila Morozova

Various techniques are used to create jewelry and accessories from genuine leather and semi-precious stones (agate, jasper, turquoise, ammonite). Jewelry is made according to individual orders. Jewelry can be purchased in person, by prior arrangement by visiting +371 28284191, as well as at the Krāslava Region Tourism Information Center.

**Address:** Krāslava, Krāslavas nov., LV-5601
