

## "Upes dižvietas"

The holiday complex "Upes Dizvietas" is located only six kilometers away from the town of Kraslava. It is located on a ten hectares site in the middle of the Nature Park "Daugavas Loki", right on the banks of the Daugava. The holiday complex offers a wide range of accommodation options:

3 guest houses

"hayloft"

camping and caravan sites

You can relax during fishing, hiking or individual excursions in the beautiful surroundings. The place is the ideal starting point for various cultural and sporting activities, which can be arranged on site by [www.latvia-outdoor.eu](http://www.latvia-outdoor.eu).

The generous outdoor area with swimming pond, country-style sauna, camp fire place and a covered barbecue area with a beautiful view of the Daugava invites you to relax in the middle of nature. Especially for families with children, the animals on the complex are a special holiday experience. There the children can touch and feed goats, chickens and rabbits.

The accommodation of dogs is possible.
