

JAUNSVENTE MANOR PARK AND TRAIL

Active rest

Enjoy the walking trails through Jaunsvente Manor Park, that have been supplemented with benches, rest areas, picnic spots, gazebos, viewing platforms and other infrastructure elements. Car parking is available.

Jaunsvente park was built in the end of 19th century. Park's area is 5.22 hectares and there are 27 different species of trees, the most interesting of which are the Erman's Birch (lat. *Betula ermanii*) and the Hungarian lilac (lat. *Syringa josikaea*). In the territory of the park there is a World War II cemetery. In the vicinity of the park there is Sventes Manor, built in 1912, and the Military Vehicle Museum.

Freely available to visitors every day.

Free of charge.
