

## Andrupenes country estate

### Museum

Museum of ethnography is located in Andrupenes village, in a very beautiful pace. Here is very interesting not only for adults but also for children, because each person can find something interesting for himself. The museum is komplex of buildings, which was built at the beginning of 20. century. It consists of 6 buildings - dwelling house, barn, byre, threshing barn, bathhouse, forge. The museum takes part in Latgales region's Culinary heritage. There is a possibility to taste Latgales Culinary meal, but to register before.
