### Cultural-historical objects

**Description:** Bebrenes castle complex is placed in Bebrenes park, which is one of the most expressive english landscape style parks in Latvia. In castle complex is included in 1896. built counts Platers - Zibergs

castle (now Bebrenes secondary school), castle gate, kitchen building, steward house, maisonnette above cellar, mill (1836.) and stables. Count Stanislavs Kostka Platers - Zibergs started to build the castle at the end of 19. century. He possessed Bebrenes estate. The most important castle building was built in French renesance style (Polish architect L. J. L. Markoni, 1834. - 1919.). There is partly saved catacomb from castle cellar to kitchen building till our days. In Bebrenes new cemetery is seen also counts family vault (built in 1875.)
